

One Page Strategy for Personalised Education

What success looks like

Child

- I am happy at school.
- I am learning and I achieve my best.
- I feel cared for and supported.

Family

- My child is happy and safe at school.
- I feel my child is learning and making progress.
- I know I can talk to staff at school and I am listened to.

Staff

- I matter as a person.
- I am encouraged to learn and develop and supported in everything I do.
- I make a difference and help to shape the direction of the school.
- I am valued for the work I do.

Leadership and Governors

- We know all the children are making progress and achieving their best.
- We are recognised for our work in personalised education.
- Families want to come to our school.

How can we achieve this using Personal Centred Practice ?

- Every child will have a One-page Profile which is used in school.
- Every child has an ongoing record of their achievements in and out of school.
- Every child who has an Education, Health and Care Plan will also have a Person-centred Review.

- I have contributed to my child's One-page Profile.
- I have contributed to what is and what isn't working within school through the Working Together for Change process.

- Every staff member has a One-page Profile that is used to support Performance Management reviews.
- Every member of staff has contributed to what is and what isn't working within school through the Working Together through Change Principals which informs the school Development Plan.

- All Leaders and Governors have a One-page Profile.
- Leadership and Governors meetings are carried out using the Positive and Productive Meeting Principals.
- All Leaders and Governors have contributed to what is and what isn't working within school through the Working Together through Change Principals.
