

Speech Ideas

1) Start with an interesting opener possibly a question

“Do you want our school to be a better place?”

2) State the basics

Include who you are and that you want to be a school councillor

3) List your qualifications

What personality traits do you have that would make you a vital member of the school council team.

4) State your main ideas

Briefly identify 1/2 things you would like to work on as a school council member. Identify any ways you have thought about to improve these areas already. (Make these achievable!)

5) Ask the audience for your vote

“I would be honoured if you chose to vote for me.”

6) Practice your speech in front of friends and family

Think about how your words and body language will persuade people to vote for you.
